
IMPORTANT ANNOUNCEMENT:

McDowall Associates joins

Gallagher Benefit Services (Canada) Group, Inc.

Effective May 1, 2015, McDowall Associates joined Gallagher Benefit Services (Canada) Group, Inc. a subsidiary of the global insurance brokerage firm Arthur J. Gallagher & Co.

This brings together Gallagher's existing Canadian operations with those of McDowall's - creating an integrated and expanded team that delivers total rewards consulting services in the Canadian marketplace. This change enhances Gallagher's human resources and compensation consulting expertise in Canada, while broadening the suite of services that McDowall will be able to offer clients going forward.

Operating through five offices in Canada, Gallagher's services include human resources and compensation consulting, actuarial services, employee and executive benefit services, international benefit services, retirement plan services, and risk management services. By joining forces with Gallagher, McDowall Associates will now be able to provide "end to end" consulting services related to compensation and benefits, as well as employee engagement, to better meet client needs.

Going forward, McDowall Associates will formally become McDowall Associates, a division of Gallagher Benefit Services (Canada) Group, Inc.

If you have any questions, please contact any member of the McDowall Associates leadership team.
